♥ Think in my heart ♥

*“Dear children!
If you do not pray,
you cannot discover,
you cannot feel
my Love,* 

*you cannot discover the plan,
the project that I have with you.*

*In particular, I invite you
to pray that Satan*

*does not attract you with his arrogance,
with his arrogance and with his false power.*

*Thank you, dear children,
because this evening*

you have responded to my call ”.
